

**Minutes of Greenville Town Council  
May 13, 1997**

The regular monthly meeting of the Greenville Town Council was called to order at 7:30 PM by President Janet Riggs. Council members Ray Gibson, Ted Miller & Mike Receveur were in attendance. Council member Jerry Burkhardt was absent. Also in attendance was Jack Sprigler, Clerk Treasurer, Gary Getrost, Water Utility Supt., Jeff Fifer, Town Attorney and Jacki Johnson.

Minutes of April 8, 1997 was read. The minutes were approved 4-0 with the addition "Claims for the Town/Utility were approved."

Attorney Jeff Fifer apprised the Council of current status of his meeting with Gov. O'Bannon's office regarding state funds in helping with relocation of water lines due to stat road construction projects. A draft of his letter to the Governors office was presented to Council for review.

Mr. Fifer expressed concerns with the Edwardsville Water Co. water purchase agreement. He stated Edwardsville and Ramsey both have FmH loans. If Greenville contracts with Edwardsville for a lower rate enabling Greenville to purchase more water from Edwardsville purchased less from Ramsey Water Co. could Ramsey sue Greenville for not purchasing a certain amount of water from them, based on the current amount of water being purchased? ~~Mr. Fifer will research further.~~

Jacki Johnson inquired about a Day Care Center in the Town. She stated she would be interested in pursuing such and endeavor. Council member Ted Miller suggested she contact an organization such as River Hills or someone knowledgeable in securing grants for such projects.

The Council by a vote of 4-0 approved the signing of a "Memorandum of Understanding with Trg." regarding sewers for Greenville.

Council approved claims for the Town/Utility.

Council Member Ted Miller gave the Council an update on the survey of alleys leading to the Fred Owen property.

Marshal David Moore asked the Council about the possibility of his hiring Reserve Officers. The council advised him there are no funds available for any type of purchase or reimbursement at this time and that the Council is wrestling with problem of funding the Marshal's position after the Federal Grant expires February 1998.

The Council adjourned on motion of Council member Mike Receveur, 2<sup>nd</sup> by Council member Ray Gibson.
