Regional Meeting No one very talkative. Palmyra Water Co. to host next meeting.

Wayne Fessel, Gary is to send a letter to inform him that it is the decision of the Town Council to not reimburse him for chemicals to cleanup his pool. Mr. Fessel claims the water turned black when he was filling it on May 24, 1997. Gary is to also enclose a copy of new utility policy on pool filling.

Medical Insurance Gary to talk to David Wood & also Ted has a company.

Fire Hydrant Maintenance Danny may start on some this week. Jerry to give Gary a copy of National Standards Paint base white.

Gary turned in news articles for newsletter.

Property owners agreement approved.

Ted Miller stated after talking to attorney Jeff Fifer that Georgetown Water has gone thru a rate increase since they adopted out of Indiana Utility Regulatory Commission with no problem. You better be able to justify increase.

Janice to make printouts of different rate increases.

Gary to get with Jeff Fifer and Virgil on a flat price per 1000 regardless how much water you use.
