President Richardson requested that one of the councilmembers write an ordinance delegating the office manager responsibilities to the Clerk's office. Councilman Redden volunteered.

The need for additional security measures was discussed and will be voted on at a later meeting. This will give the council members a chance to consider the proposal and bid received for installing new windows and doors to the main water utility office.

Assistant Superintendent Schmidt requested rental of a storage facility in Galena. It will be 12' X 22' and cost \$900 annually. This should help with the overcrowded on site facility and make for more efficiency having equipment stored at each end of the system. Motion made by Councilman Wright and seconded by President Richardson. Motion passed 4-0.

Superintendent Getrost and Assistant Superintendent Schmidt have conducted the interviews and decided on two individuals. A position for full-time employment and the other is for part-time, 20 hours per week. He is requesting the salaries be set at \$10 per hour for both positions. There will need to be criminal checks done of both individuals. President Richardson called for a special meeting to be held next Tuesday, January 21, 2014 at 6:30 PM at town hall for passage of a salary ordinance.

Schmidt followed up his previous request for purchasing Orion Reading Software (ORS). The cost is \$273,000 for a total of 1700 customers with a small annual maintenance fee. The council advised that there will need to be a letter of credit assigned to the Clerk's office before any construction can begin. The rear entrance of the subdivision onto Arthur Coffman Road will be opening and most equipment will be entering and leaving through that entrance.

No further business coming before the Council the meeting was adjourned.
