Financial:

Review/Approval Checks and Expenditures: Clerk Travillian presented the forms for the checks written from the utility and the town. The checks were approved without objections. Clerk Travillian presented the council the proposed budget for 2015.

Committee Reports:

Streets and Roads:

Councilman Wright gave a report of roads in need of repair and Greenville/Georgetown Road is at the top of the list, however, the council considers this a Floyd County Road that runs through Greenville and therefore needs to be done at the county's expense. The council will advise any concerned citizen to call the Floyd County Commissioner's office with any complaints about the condition of the paving.

Town Attorney Lane has contacted the Floyd County Commissioners office about the problem of New Albany/Floyd County Animal Control refusing service to our citizens. The Commissioner's office has concerns with the accessibility and are frustrated by lack of progress from that department.

Utility Business:

Superintendent Schmitt was unavailable, so Office Manager Amy Stone submitted the adjustments that were approved without comments.

Councilman Kepley questioned if all new meters had been installed, employee Crystal Robb confirmed that the installation has been completed.
