

MINUTES OF GREENVILLE TOWN COUNCIL MEETING/HEARING OF JUNE 7, 1994. (Continuation of Meeting of May 10, 1994.

Meeting was called to order by President Harold Hall, with Councilmember Patricia Sappenfield in attendance. Also attending was the Clerk Treasurer and other interested parties (see attached).

President Hall welcomed all those in attendance and requested Mr. Virgil Bolly, Attorney for the Water Utility Improvement Project, to start proceedings.

Mr. Bolly then introduced representatives from the IURC Utility Councilor's office, Mr. Bill Sherman, CPA rate consultant, Councilmembers, and others.

Bill Sherman: Spoke on the advantages/disadvantages of removing the Greenville Water Utility from the jurisdiction of the IURC. Upon completion of the essay, Mr. Sherman fielded questions from the audience.

Charles Bradford: Stated he had concerns on the utility not being under the IURC.

Bolly: Updated the procedure (s) that the Town must use to effect this change; to either pass the Ordinance or withdraw the Ordinance; should it be passed, recourse of voters within the Town.

Mr. O. Krohn: Presented an overview of rates in 1993 (last increase) and current rate request, this request being due to cost of water, storage, and inflation.

Mr. Fred Marsh: Advised those present that the utility water supply in in an emergency situation and the proposed improvement project should be moved forward.

Mr. Bob Gibson: Presented a history of the Water Utility since it's inception describing users, rates, projects, and costs since that time (1963).

Mr. Gary Getrost: Advised the utility ability to provide water during peak periods, lack of sufficient supply during times of excess use.

Mr. Bolly: Requested comments from the floor cautioning that questions should be directed as to the question of removal from the IURC.

Mr. Bolly: Introduced members of the Utility Councilor's office.

Rita Baldwin: As a member of the Utility Councilor's office explained that office's function in rate making cases. That her office does not and will not advise on whether the utility should stay in the IURC or get out. That decision is up to the Town of Greenville.

Tim Geswein: As a member of the Councilor's office he explained the engineering aspects of his office/function. He stated that Greenville had one of the lowest water losses of other utilities/systems. Mr. Geswein also explained the closing of the lake/treatment plant.

Mr. Hall then requested a short recess after which the Council would take a vote on Ordinance No. 1994-02.

MINUTES OF GREENVILLE TOWN COUNCIL MEETING OF JUNE 7, 1994.

Mr. Hall called the meeting to order after recess.

President Hall having noted that Ordinance 1994-02 was introduced and given 1st & second reading at prior meetings submitted the Ordinance for final vote. Patricia Sappenfield then motioned that Ordinance No. 1994-02 be voted on. Motion was seconded by President Hall. On call of the roll President Hall called for a final vote on the proposed Ordinance. Patricia Sappenfield voted in favor of Ordinance No. 1994-02; President Hall then cast his vote in the affirmative. Ordinance No. 1994-02 having carried by unanimous vote of the Council President Hall then declared the Ordinance duly passed.

Harold Hall, President of the Council

ATTEST:

Jack Sprigler, Clerk of the Council
