Mr. Bill Gay approached the Council for approval to establish a used car lot on property at 9620 U.S.150. The Council stated the Town would take no objection providing he followed the Town's Ordinance (s) regarding set-back rules, etc. and Advertising. Council advised him to contact the IN.Dept. of Hwy's. for any restrictions they may have since the proposed change is along a state highway.

The Council also received a proposal from Mr. Geo. Ketchum for changes to Lots 9,10, 11, along U.S. 150. Since the Council approved changes to these lots at it's September meeting the proposal was rejected.
