INCREASE IN WATER UTILITY RATES**

THAT:

WHEREAS, the Town Council is the entity responsible for fixing and approving new rates and charges for the Greenville Municipal Water Utility pursuant to I.C. 8-1.5-3 et seq.

WHEREAS, after due consideration and discussion it was agreed that the current schedule of water rates is now inadequate to provide enough revenue for the costs and expenses necessary to operate and maintain the water utility ; and

WHEREAS, after due consideration and discussion, it was further agreed that the water rates will be amended as set forth below;

NOW THEREFORE BE IT RESOLVED that the Town's schedule of water rates shall be amended as presented in Appendix A.

The metered rates and charges shall be subject to a wholesale water cost tracking factor (WCTF) occasioned solely by changes in the cost of purchasing water for resale from the Town's wholesale water providers. The initial wholesale water cost adjustment tracking factor amounts to \$0.20 per 1,000 gallons. Said WCTF shall be amended from time to time whenever all of the Town's wholesale water providers amend their respective wholesale rate to the Town. The WCTF will be based upon the total increase in the cost of purchased water, adjusted for the cost of water line losses and Utility Receipts Taxes.

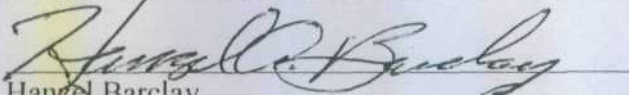

See 'Appendix A' for complete Tariff Sheet, including the combined Base Rates and current WCTF

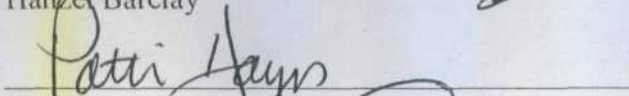

NOW THEREFORE BE IT FURTHER RESOLVED that, in accordance with I.C. 8-1.5-3-8.1, after the introduction of this ordinance, but before this ordinance is finally adopted, the Town Council shall hold a public hearing at which user of the Greenville Municipal Water Utility, owners of property served or to be served by the Greenville Municipal Water Utility, and other interested person may be heard concerning the proposed rates and charges set forth herein. This ordinance shall be effective within five (5) days after it is adopted in accordance with I.C. 8-1.5-3-8.1 unless delayed in accordance with I.C. 8-1.5-3-8.2 which allows owners of property connected or to be connected to and served by the Greenville Municipal Water Utility to file a written petition objecting to the rates and charged set forth herein so long as (1) the petition contains the names and addresses of the petitioners; (2) the petitioners attended the public hearing provided under I.C. 8-1.5-3-8.1; (3) the written petition is filed with the Town Council within five (5) days after this ordinance is adopted pursuant to I.C. 8-1.5-3-8.1; and (4) the written petition states specifically the ground or grounds of objection.
